Re: CC Docket No. 80-286 – Petition of Terral Telephone Company, Inc., for waiver of 47 CFR Sections 36.3, 36.123-126, 36.141, 36.152-157, 36.191 and 36.372-382 to Unfreeze Part 36 Category Relationships

Dear Ms. Dortch:

My letter is written to you to express my hope that you will approve Terral Telephone Company's petition to allow it to unfreeze its Part 36 Category Relationships. And now I request that you make that decision as quickly as possible.

There are no other providers of telephone service or Internet in the Terral area. Cellular service is weak and not always trustworthy. If Terral Telephone Co. is unable to continue to provide service, we will be without any other provider. We do not want to lose our service. The longer the decision takes, the more it puts our new broadband services at risk.

Please approve Terral Telephone Company's unfreeze waiver.

Sincerely,

Norma Land

Dear Ms Dortch:

I have been a customer of Terral Telephone Company in Terral Oklahoma for many years. I love the fact that we have local people in the office and in the field to readily help us when we need it. I am writing you to ask that you will approve Terral Telephone Company's petition to allow it to unfreeze its Part 36 Category Relationships. We really need you to make that decision as quickly as possible.

We don't have any other providers of telephone service or Internet in the Terral area. Cellular service is here today, gone tomorrow. If Terral Telephone Co. does not continue to provide service, we won't have anyone who will. We do not want to lose our service. The longer the decision takes the more it puts us all at risk of not having telephone service. Most of us are elderly and really need our phones

Please approve Terral Telephone Company's unfreeze waiver.

Sincerely,
